

What is Municipal tax・Prefectural tax?

- Tax to be paid to a municipality in which your address is registered as of January 1st, each year.
- Tax will be levied if your income during January 1–December 31 in the previous year reached a certain amount.
- In case of change of address, pay the levied amount to the municipal office which you had a residence registration as of January 1, that year.

The amount of Municipal tax・Prefectural tax is calculated on the basis of your previous year's income and the amount of deduction, then levied from June.

◎ Normal collection... Direct payment of the tax using the Tax Notice 4 times a year (late June, late August, late October, the following late January)

◎ Special collection... Tax is directly paid by deduction from monthly salary (June ~ next May) or public pension.
