Town-block★Residents' Council of Kawaguchi City

Every area of Kawaguchi City has local association called Town-block/Residents' Council. Town-block/Residents' Councils are leading activities ranging from crime-prevention to emergency drills as independent disaster-preventive organizations. **Working with Kawaguchi City, Town-block/Residents' Councils are making effort for the realization of community in which every resident feels safe to live in.**

Consciousness and cooperation of every one of you supports the Town-block/Residents' Council. And in due course, it will become the power to raise Kawaguchi City to a higher level. Town-block/Residents' Councils are always welcome your participation.

Safety Patrol in your Area

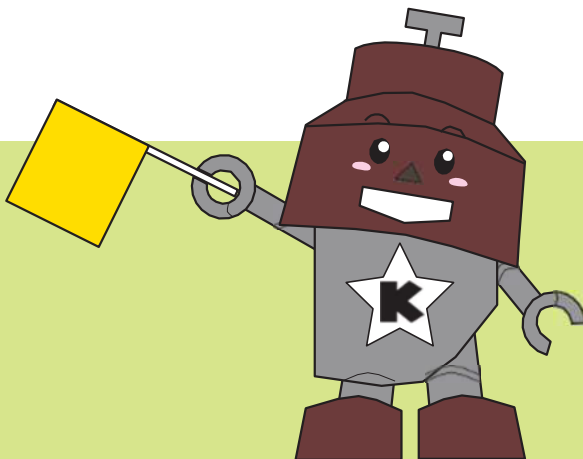

Town-block/Residents' Council members go around the area to watch the community's peace and safety.

To secure the safety of the area, Town-block/Residents Councils are promoting the installation of security street lights and security cameras.

Patrol

In case of Emergency !

Providing is Preventing!

Keep preparing for emergencies by holding emergency drills regularly.

As autonomous disaster preventing organizations, Town-block/Residents' Councils are cooperating with the City to back up disaster-proof community.

Disaster Prevention

Clean our Town ! Cleaning up Parks, etc.

To keep the clean environment of the community, Garbage pick-up, or clean-up activities are done by members.

We also promoting recycling activities by collecting recyclables.
