

◎How to wear a face mask correctly◎

(英語)

1. Choose one that fits to your face size.
2. Make sure to cover your nose.
3. When wearing an unwoven fabric mask, make sure to wear it properly by confirming the right front side and the right upper end.
4. Carefully stretch the ear loops when taking it off. Never touch the panel while wearing it.

Correct

× Not covers nose

× Not covers nose & mouth
