

Kindly requested to pay the unpaid amount by a lump sum payment

In case of paying the remainder in installments

- We will ask you to register your bank account(Automatic transfer account) with us for the payment of your recalculated tax●

1 Arrearage charge is added

It is provided by the law that if you fail to pay an amount due to be paid by the deadline, arrearage charge will be added to an unpaid amount. That makes no exceptions for payers who chose to pay in installments.

2 Reminder · Call notice will be delivered

Reminders and call notices are delivered to payers who chose to pay in installments as long as an unpaid amount remains unsettled.

3 Property will be investigated and attached as need demands

Your status is considered to be a delinquent as long as you have not paid the whole amount due.

Investigation of property is conducted regardless of fulfillment or nonfulfillment of payment in installments. In case the investigation reveals any property that can be allocated to National Health Insurance tax payment, attachment of your property is executed without previous notice.

(Cases : Inquire of a place of employment as to salary payment, of clients as to credit sales account, of life insurance company as to whether having a policy or not, etc.)

■ Method of payment

- At convenience stores, financial institutions, or through smartphone Apps. (Payment is not accepted at Yuucho bank, post offices) For further details, please check the back of the statement of payment.

■ In case of paying in installments
