

For the prevention of spreading
infectious diseases

Follow!!

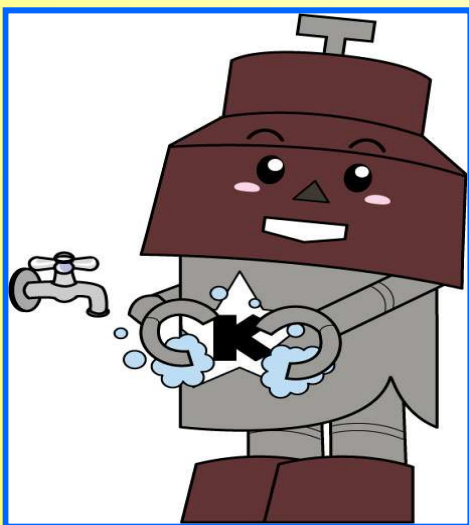

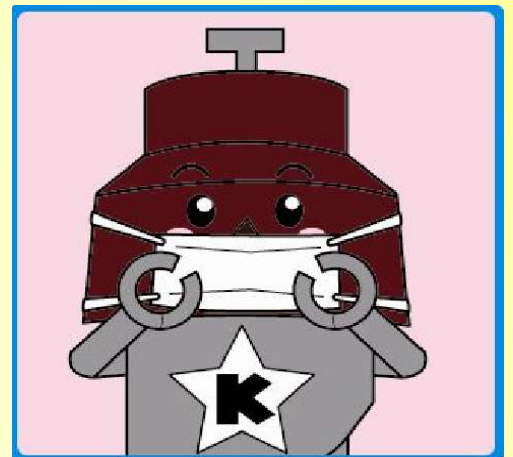

Cough Etiquette

Virus contained droplets can spray fly 1.5m by coughing, 3m by sneezing.

What is "Cough Etiquette" ?

©Wear a mask when you are coughing
or sneezing.

©Cover your mouth and nose with
tissues, etc. when you cough, sneeze.

Cupo-ran PR mascot of Kawaguchi

©Throw the used tissues in the trash
after covering your mouth and nose.

©After you covered cough or sneeze
with your hands, thoroughly wash
them with soap and water.
