

To all Parents and Guardians

Manager of Health Promotion Division, Kawaguchi City Public Health Center

Physical Checkups for 18-Months-Old Children (Notification)

To protect children's health, Kawaguchi City will carry out Physical Checkups as stated below.
It becomes your dearest child's record of growth. Do not forget to have your child take this.

NOTE

1 Eligible children **Infants of age 18-months ~ before turning 24-months old**

who has residence registration in Kawaguchi City

2 Operating institution See the back page; "List of Cooperating Medical Institutions"

3 Fee **Free**

In case a child applies to any of the following, parents or guardians must bear the fee for checkups. Issued Physical Checkups Ticket will also be invalidated

- Ineligible children (under 18-months old, or already turned 2-year-old)
- Took Checkups at an unappointed medical institution
- Already moved out to other municipality(already submitted moving-out notification).

4 Flowchart Please follow the instructions below by checking each with marks.

Arrangement	① Appointment	<input type="checkbox"/> Choose a medical institution from the list on the back and make an appointment.
	② Preparation	<input type="checkbox"/> Confirm the child's eligibility on the day of checkups (recommend to have checkups by turning to 20-months old). <input type="checkbox"/> Fill in enclosed "Physical Checkups for 18-Months-Old Ticket (Preliminary questionnaire)"
On the Day	① Check physical condition	<input type="checkbox"/> Take body temperature. Check physical condition as to having no fever, coughing, other symptoms of cold. ※Please cancel the Checkups when your child has a poor physical condition.
	② Items to bring	<input type="checkbox"/> Physical Checkups for 18-Months-Old Ticket (Preliminary questionnaire) <input type="checkbox"/> Mother-Child Health Handbook (Medical institution will enter the result in it)

【To take Checkups in other municipality】

In case you are planning to have the checkups outside Kawaguchi City due to staying at your own parents' house, etc.

Consult Health Promotion Division after confirming whether that municipality accepts your request or not (medical institutions are not available).

【People who have just moved-in】

In case you have already have your child take Physical Checkups for 18-Months-Old Children before your move-in to Kawaguchi City or at a medical institution not appointed by the city, please contact Health Promotion Division.

If we cannot confirm your child's checkups record in Kawaguchi City, Public Nurse will visit you to have an interview.
