

# We will resume general garbage collection.

Due to a fire at the garbage processing facility, garbage collection was temporarily suspended. We apologize for any inconvenience this may have caused. General garbage collection will resume on **Monday, January 13, 2025.**

The following changes will apply to garbage disposal methods:

- **Lighters:** Empty lighters should be placed in a separate bag from kitchen garbage, etc. and labeled as "*YUGAI.*" Dispose of them with general garbage.
- **Ceramics and Glass:** Wrap ceramics and glass in paper and place them in a separate bag from kitchen garbage, etc. The bag should be labeled as "*WAREMONO.*" Dispose of them with general garbage.
- **Lithium-ion Batteries:** Do not take lithium-ion batteries to the collection site under any circumstances. (They can cause fires)

Thank you for your understanding and cooperation.
